

FILO FLEX FRONT BENDING 5W

CONSTRUCTIVE & DIMENSIONAL:

Installation type:	Ceiling, wall mounted
Environments:	Wellness, hallway, conference hall, art and culture, leisure areas, retail areas
Mounting type:	Surface
Body:	High performance polymer sheath.
Wiring:	Electrical harness wired for 24V-DC. Double silicone output cables 2x0.5mm ² . Remote power supply units 110-277 V-AC 50-60Hz output 24V-DC (order separately).
Standard Colour:	B white

ELECTRICAL:

Item code:	108DU051
	108DU001
Lifetime:	50.000h L70B50 (Ta=25°C)
Mounting ballast type:	Independent
Voltage:	24V-DC
Separate ignition:	No
Emergency 1E:	No
Emergency 3E:	No

OPTICAL:

Beam:	Diffuse
Emission:	Direct
Adjustable:	No

LIGHTING SOURCE for model 108DU051

MacAdam:	Step 3
Output Flux:	163 lm
Source power:	5W
Source type:	LED
Temperature Colour:	3000K CRI>80

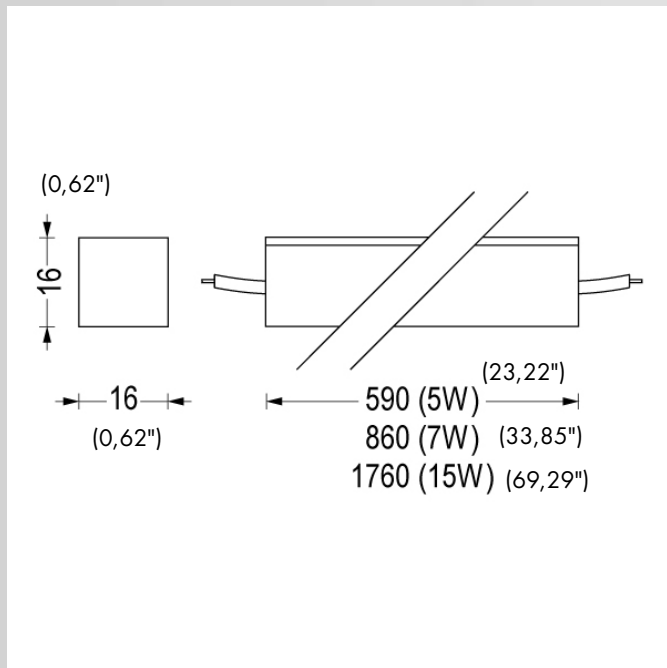

LIGHTING SOURCE for model 108DU001

MacAdam:	Step 3
Output Flux:	177 lm
Source power:	5W
Source type:	LED
Temperature Colour:	4000K CRI>80

ACCESSORIES:

MEC6095
2 poles connector IP68.

- MEC6101**
60W 24V IP67 ON-OFF Remote Driver.
- MEC6102**
80W IP67 ON-OFF Remote Driver.
- MEC6103**
100W 24V IP67 ON-OFF Remote Driver.
- MEC6104**
120W IP67 ON-OFF Remote Driver.
- MEC6105**
35W Independent ON-OFF Remote Driver.
- MEC6106**
60W Independent ON-OFF Remote Driver.
- MEC6107**
100W 24V Independent ON-OFF Remote Driver.
- MEC6108**
150W Independent ON-OFF Remote Driver.
- MEC6271**
20W Independent DALI Dimmable Driver.
- MEC6272**
100W Independent DALI Dimmable Driver.
- MEC6278**
2 poles connector (0.5 - 2.5mm²).
- MEC6283**
2 poles disposable connector IP67 (0.35 - 0.5mm²).
- Mounting**
- MEC6507**
Fixing Clips (4 pcs.). (Installation suggestion 1 pc. each 0.5m).
- MEC6514**
Fixing Clips (4 pcs.) for FILO FLEX Front Bending. (Installation suggestion 1 pc. each 0.5m).
