GENERAL INFORMATION:

The recessed ceiling lights are high end functional elements, having excellent lighting performance and a refined design in every detail, to integrate perfectly in the environment. The products are Made in Italy in the company historic production plant and are made of CRISTALY®. Thanks to the simple and intuitive fixing system, and a variety of electrical options, these products are the perfect choice to complete all living areas.

We have achieved the impossible with the new mini LED lights in two versions with Ø16 mm and Ø11 mm holes.

- The 0.63" (1.6 cm) version, with an unrivalled hole diameter/lumen/overall size ratio.

Packed with powerful technology: the installation only requires 1.18" (3 cm) of space.
