PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The DRUM Flat is a versatile ceiling or suspension lamp designed for both residential and commercial spaces. Its circular design and minimalist aesthetic allow for various installation configurations, including single units in residential settings or modular arrangements in larger commercial areas. The lamp features an opal or microprismatic diffuser that ensures visual comfort by emitting soft yet high-performance light. Additionally, the DRUM Flat is available in a range of finishes, providing flexibility to suit different interior designs.
