NOTES

GENERAL INFORMATION:

The GLINDA by BYIBA is a versatile recessed lighting fixture crafted from CRISTALY®, a durable and paintable material that allows for seamless integration into various interior designs. Designed for both ceiling and wall installations, it features a sleek, minimalist design that complements modern aesthetics. The fixture is compatible with GU10 LED bulbs, providing energy-efficient illumination suitable for dining rooms, living areas, bedrooms, kitchens, hallways, offices, restaurants, shops, and hotels. Its Italian craftsmanship and design excellence make the GLINDA 4045C a refined choice for both residential and commercial spaces.
