PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The recessed ceiling/wall lights are high end functional elements, having excellent lighting performance and a refined design in every detail, to integrate perfectly in the environment. The products are Made in Italy in the company historic production plant and are made of CRISTALY®. Thanks to the simple and intuitive fixing system, and a variety of electrical options, these products are the perfect choice to complete all living areas.

We have achieved the impossible with the new mini LED lights in two versions with Ø: 0,62" and Ø: 0,43" holes.

- The 0.63" (1.6 cm) version, with an unrivalled hole diameter/lumen/overall size ratio.

Packed with powerful technology: the installation only requires 1.18" (3 cm) of space.
