PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The VOLTA DOUBLE recessed wall fixture is a modern CRISTALY® wall light designed with dual vertical grooves that diffuse indirect light. It can be installed with light emission facing upward or downward, depending on the space requirements. Ideal for indoor use, it fits flush into the wall with clean architectural lines. Compatible with GU10 light sources, it is available with an optional housing box for brickwork installation. Paintable for customization, this fixture combines minimalist design with functional ambient lighting.
