NOTES

GENERAL INFORMATION:

The VOLTA SMALL recessed wall fixture is a modern CRISTALY® wall light featuring a sleek, linear design that diffuses soft, indirect light. Designed for versatility, it can be installed with light emission facing upward or downward to suit various spatial needs. Ideal for indoor applications, it integrates seamlessly into the wall, creating a refined architectural aesthetic. Compatible with GU10 light sources, it is available with an optional housing box for brickwork installation. Paintable for full customization, this fixture blends minimalist elegance with practical ambient lighting.
