NOTES

GENERAL INFORMATION:

The ZELDA by BYIBA Light is a unique acoustic pendant light designed to provide both illumination and sound absorption in modern interiors. Featuring an aluminum body with 0.47" polyester fiber acoustic panels, this fixture enhances aesthetics while reducing noise. With a 35.3" (89.6 cm) diameter, E26 socket supporting up to 40W, and compatibility with 110-277V, it suits various spaces, including offices, hospitality settings, and residential interiors. Available in 30 acoustic felt colors, the ZELDA pendant offers customization options to match any design concept while delivering 200° lighting distribution for optimal illumination.
