NOTES

GENERAL INFORMATION:

The ATERNA wall light from BYIBA is a sleek, rectangular wall lamp with a sophisticated design featuring dual light emission. The product code is BY-2340-9010. It is crafted from ceramic and presents as a rectangle protruding from the wall with an embossed bottom profile. Light diffuses softly from both the top and bottom surfaces, creating elegant and balanced illumination. The fixture is handmade in Italy and carries an IP20 rating, meaning it is protected against solid objects greater than 0.5" but is not water-resistant. The light source is an E26 socket (max 56W), with electrical specifications depending on the chosen bulb.
