GENERAL INFORMATION:

The BAIZE 2423B by BYIBA is a modern LED wall light made from the innovative material CRISTALY®. With its minimalist parallelepiped shape and opal diffuser, it emits soft, indirect light upwards, creating a refined and atmospheric effect. Handmade in Italy, this fixture combines elegant design with advanced LED technology, offering high color rendering (CRI 90) and multiple light temperature options. Its simple geometry makes it a versatile choice for contemporary interiors, while customization is possible through different finishes and the option to add an emergency kit. The BAIZE 2423B is the perfect solution for those seeking a balance of functionality, durability, and timeless style.
