PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The Banister Quadro is a bold ceiling-mounted luminaire designed to blend sculptural elegance with high-performance lighting. Crafted from CRISTALY®, this version features an open rectangular housing that reveals its internal structure, offering a striking visual impact while projecting powerful light downward. Handmade in Italy, the fixture is fully customizable in color using paint finishes, allowing seamless integration into any design scheme. It uses GU10 LED bulbs (maximum 5 W each), runs on mains voltage (110-120 V, 50/60 Hz), and is rated IP20. Ideal for commercial or residential spaces seeking a dramatic, architectural ceiling light that commands attention without sacrificing functionality.
