NOTES

GENERAL INFORMATION:

The Ara Round (BY-4216-9010) is a recessed luminaire designed for ceiling or wall mounting, featuring a square frame with a central round lamp housing. Made from Cristaly® with a paintable white finish, it offers smooth architectural integration and aesthetic versatility. The fixture supports a GU10 lamp (max. 10W, lamp not included) and operates on 110–120V input voltage. With an IP20 protection rating and Class II insulation, it is suitable for dry indoor environments. Compact in size and compatible with a dedicated housing box, Ara Round provides flexibility in installation and delivers elegant, focused lighting for both residential and commercial spaces.
