NOTES

GENERAL INFORMATION:

The Ara (BY-4215-9010) is a recessed luminaire designed for ceiling or wall mounting, featuring a geometric square form with a central lamp housing. Made from Cristaly® with a paintable white finish, it blends seamlessly into architectural interiors. The fixture supports a GU10 lamp (max. 10W, lamp not included) and operates on 110–120V input voltage. With an IP20 protection rating and Class II insulation, it is suitable for use in dry indoor environments. Its compact dimensions and compatibility with a housing box provide flexible installation options, making Ara an elegant and practical solution for residential and commercial lighting applications.
