NOTES

GENERAL INFORMATION:

The Quark (BY-4218A-9010) is a recessed luminaire designed for ceiling or wall mounting, featuring a square frame with a central exposed lamp housing that highlights its modern, industrial-inspired design. Made from Cristaly® with a paintable white finish, it can be seamlessly customized to match any interior. The fixture supports an E26 lamp (max. 20W, lamp not included) and operates on 110–120V input voltage. With an IP20 protection rating and Class I insulation, it is suitable for use in dry indoor environments. Compact in dimensions and designed for easy integration, Quark offers a distinctive lighting solution for residential and commercial applications that require a bold yet functional fixture.
