

# SUPER HERO (down-lights)

BY-SHR-DL

PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

Introducing the SUPER HERO Downlight Series by BYIBA Light — a versatile and high-performance collection designed for modern architectural lighting. Crafted from durable aluminum and available in sleek white, black, or custom finishes, these LED downlights combine minimalist design with powerful functionality. With beam angles ranging from 10° to 36°, remote driver positioning, and an IP20 rating, the SUPER HERO series is ideal for precise, focused illumination in indoor environments. Compatible with 110–277V and built to perform in temperatures from -10°C to +45°C, this series meets Class I appliance standards and is perfect for residential, commercial, and custom lighting projects. Tailor your lighting with confidence — custom orders are welcome.
