NOTES

GENERAL INFORMATION:

The Wolo Big (BY-4246H-9010) is a recessed luminaire designed for ceiling or wall mounting, featuring a rectangular form with three deep-set lamp housings for reduced glare and enhanced lighting control. Made from Cristaly® with a paintable white finish, it offers seamless integration into modern interiors. The fixture supports GU10 lamps (3 x max. 10W, lamps not included) and operates on 110–120V input voltage. With an IP20 protection rating and Class II insulation, it is suitable for dry indoor environments. Its wider structure and compatibility with a housing box provide flexibility in installation, making Wolo Big an ideal choice for larger residential and commercial lighting applications.
