NOTES

GENERAL INFORMATION:

The Wolo (BY-4246F-9010) is a recessed luminaire designed for ceiling or wall mounting, featuring a square form with a deep-set lamp housing that reduces glare and enhances visual comfort. Made from Cristaly® with a paintable white finish, it allows for seamless integration into architectural surfaces. The fixture supports a GU10 lamp (max. 10W, lamp not included) and operates on 110–120V input voltage. With an IP20 protection rating and Class I insulation, it is suitable for dry indoor environments. Compact in size and compatible with a housing box, Wolo combines practicality and style, making it an excellent choice for residential and commercial lighting applications.
