GENERAL INFORMATION:

Sleek, soft, and effortlessly modern — the CHIMERA round wall light is a versatile lighting solution that blends contemporary design with eco-conscious innovation. Featuring a clean circular shape with bi-directional light diffusion (up and down), it brings warmth and ambiance to both residential and commercial interiors. Expertly crafted from CRISTALY®, BYIBA's exclusive sustainable material, the CHIMERA is both durable and lightweight. Whether installed as a single statement piece or in a rhythmic series along a hallway or feature wall, this minimalist fixture enhances space with elegance and soft illumination. Experience refined lighting with sustainable beauty — the CHIMERA is where form meets function
