NOTES

GENERAL INFORMATION:

The Idra (BY-4210-9010) is a recessed luminaire designed for ceiling or wall mounting, featuring a compact rectangular form with two adjustable lamp housings. Constructed from Cristaly® with a paintable white finish, it provides seamless integration into architectural interiors. The fixture accommodates GU10 lamps (2 × max. 10W, lamps not included) and operates on 110–120V input voltage. With an IP20 protection rating and Class II insulation, it is ideal for use in dry indoor environments. Its precise dimensions and refined design make Idra a versatile choice for residential and commercial lighting projects requiring focused yet discreet illumination.
