PROJECT

SPEC TYPE

NOTES

#### GENERAL INFORMATION:

The LARIA EXTRA ceiling-mounted fixture is the largest and most powerful option within the LARIA collection, designed for projects requiring both architectural impact and superior lighting performance. Manufactured from durable Cristaly®, it provides a refined yet bold design element suitable for expansive interiors. With its extended proportions, the fixture ensures a strong visual presence while maintaining the minimalist aesthetics of the series. Available with GU10 or LED options, it offers flexibility for various applications, supported by a paintable white finish for seamless integration into any design scheme. Ideal for large-scale residential, commercial, and hospitality environments where scale, performance, and customization are key.

#### MATERIAL:

CRISTALY®

#### FINISHING:

White / Paintable

#### LIGHTING:

GU 10 / LED

#### INPUT VOLTAGE:

110-120V / 110-277V

#### IP RATING:

IP20

#### DRIVER POSITION: (only for LED models)

Integral

#### INSULATION CLASS:

II / III

#### WEIGHT:

16.53 lb
