NOTES

## GENERAL INFORMATION:

The LARIA ceiling-mounted fixture is designed for seamless integration into modern interiors, offering a minimalist yet functional lighting solution. Constructed from high-quality Cristaly®, it combines durability with a refined aesthetic. Its white, paintable finish allows for customization to match surrounding surfaces, ensuring a discreet architectural effect. This fixture provides focused illumination using a GU10 light source (max. 10W), making it ideal for both residential and commercial applications where precision and design flexibility are essential.
