NOTES

#### GENERAL INFORMATION:

The Milli Round Big (BY-4194B-9010) is a versatile recessed luminaire designed for ceiling or wall installation. Constructed from Cristaly®, it combines durability with a refined, minimalist aesthetic. Its paintable surface allows seamless integration into any architectural setting, making it ideal for both residential and commercial environments. Featuring energy-efficient LED technology, it provides reliable illumination while maintaining a discreet and modern appearance. With flexible voltage input and dual IP rating options (IP20/IP44), the fixture is suitable for a wide range of indoor applications, including dry and damp areas.
