

TRAVIATA BIG
(pathmarkers)

BY-4205C-PL

PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The TRAVIATA BIG offers a bold and sophisticated take on architectural lighting. With its extended linear form and frameless recessed design, this fixture creates a striking line of light that enhances spatial depth and modern aesthetics in any environment. Perfectly engineered for seamless integration into plasterboard and drywall surfaces, the TRAVIATA BIG becomes completely flush with the wall or ceiling once painted—providing an invisible light source that elevates the mood without disrupting the space. This model excels in expansive interiors—ideal for galleries, corridors, designer homes, and modern commercial areas that demand both function and style.
