

GADRO  
(wall)

BY-8430-PL

PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The BYIBA Gadro (BY-8430-PL) Wall Light — a minimalist ceramic wall sconce that emits a subtle, upward-directed glow from a simple rectangular profile. Designed for elegance and simplicity, the light softly washes the wall above the fixture, creating a calm, refined atmosphere ideal for modern interiors. Its monodirectional light emission makes it perfect for corridors, lounges or contemporary living spaces where restrained, architectural lighting is needed. Crafted with clean geometry and high-quality ceramic, the Gadro 8430 integrates seamlessly into minimalist and sophisticated spaces, adding understated charm without visual clutter.
