NOTES

GENERAL INFORMATION:

BYIBA Intarsio (BY-8956A-PL) Ceiling Light — a clean, linear ceiling fixture sculpted from premium CRISTALY®, designed to deliver refined, direct LED illumination with elegant simplicity. Its slim, minimal profile and luminous strip create a modern aesthetic, ideal for contemporary interiors — from living rooms and offices to galleries and commercial spaces. The Intarsio 8956A integrates seamlessly into a ceiling, giving a flush, architectural look while providing efficient, uniform light distribution. With its modular design, it offers flexibility for various ceiling layouts and design requirements, bringing both style and functionality to any project.
