GENERAL INFORMATION:

The LONIA is a minimalist wall lamp made from CRISTALY®, featuring a sleek cylindrical form that emits gentle upward indirect light. Handmade in Italy, this fixture pairs lightweight design (~0.3 kg) with convenient mains-voltage installation (IP20 rated). The LONIA 2453 comes in a GU10 variant (2453-35) with max 10W support, and offers customization through paintable CRISTALY®. A full technical datasheet, instructions, and 3D model are available.
