NOTES

GENERAL INFORMATION:

The VELA by BYIBA is a sleek, wall-mounted LED profile crafted from CRISTALY®, designed to emit soft, indirect light that allows any space to breathe. Handmade in Italy, its modern aesthetic features a streamlined profile that requires no recessed installation, offering remarkable versatility. Ideal for creating continuous lighting systems through modular combinations, it supports customization in length and orientation and is paintable for seamless design integration. The package includes the CRISTALY® profile, an ALUMITE® heat sink, and an opaline methacrylate diffuser—note that the LED strip is ordered separately. The VELA is perfect for those seeking elegant, architectural lighting with flexibility and refined craftsmanship.

MATERIAL:

CRISTALY® + ALUMITE®

FINISHING:

White / Paintable
