GENERAL INFORMATION:

Illuminate your space with elegance and simplicity. The BYIBA Dalia Big 7578 is a beautifully crafted wall light that merges minimalist design with premium materials — perfect for modern interiors and stylish architecture. Its discreet yet striking form makes it ideal both as a statement piece and as a subtle architectural element. The upward light output eliminates harsh glare while emphasising wall textures and details, adding dimensionality to your space. Designed for versatility: works perfectly in living rooms, bedrooms, corridors or reception areas, wherever you want lighting that quietly elevates the environment.
