

## COBRA (BOLLARD)

The COBRA is an outdoor bollard luminaire defined by its fluid, sculptural form inspired by the movement and elegance of a snake. Its design features a vertical line that rises from the ground and curves gracefully, creating a distinctive, organic silhouette rooted in natural principles. Crafted from durable BETALY®, the fixture is resistant to weather, UV exposure, and impact, ensuring long-lasting outdoor performance. Equipped with an integrated LED source, it provides soft, directed light that enhances pathways, gardens, and architectural spaces with a refined and atmospheric effect.
