

DOUBLE COLLECTION (BOLLARD)

The DOUBLE COLLECTION belong to the BYIBA outdoor bollard collection, characterized by a bold, minimalist design that combines architectural clarity with refined lighting performance. The collection is based on a “binomial” concept of illumination, offering both direct and reflected light to create versatile and atmospheric outdoor environments. Crafted from durable BETALY® and complemented by stainless steel elements, these luminaires ensure long-lasting resistance while maintaining a clean, contemporary aesthetic. Designed for gardens, pathways, and terraces, they provide soft, elegant lighting that enhances outdoor spaces with both functionality and visual harmony.
