

ELLE COLLECTION (BOLLARD)

The ELLE COLLECTION is a minimalist outdoor lighting series designed with clean, geometric lines and an elegant inverted "L" form. Made from durable BETALY® material, these handcrafted Italian bollards combine strength, sustainability, and refined design for modern exterior spaces. Featuring integrated LED technology with downward light emission, the fixtures softly illuminate pathways, gardens, and architectural surroundings while creating a warm and welcoming atmosphere. The collection is designed to blend seamlessly into different environments, enhancing outdoor spaces without visually dominating them. Available in multiple finishes and sizes, including the standard and the more compact version, the range offers versatile solutions for contemporary landscape lighting.
