

PIPE COLLECTION (BOLLARD)

The PIPE COLLECTION outdoor bollards are designed with fluid, soft surfaces, eliminating sharp geometric edges to create a natural and continuous form. Their sculptural shape allows the eye to move smoothly across the surface, blending harmoniously with outdoor environments. Available in different heights, they adapt to various spatial needs while providing consistent and elegant illumination. The integrated LED light emits a refined yet decisive glow, enhancing pathways and landscapes with both functionality and design.

MATERIAL:

BETALY®

LIGHTING:

LED

VOLTAGE:

110-277V

IP RATING:

IP65

APPLIANCE CLASS:

II/III

DRIVER POSITION:

Remote driver

WARRANTY:

5 years

MAIN FEATURES:

High visual comfort

Wide range of finishes

Functional design

Minimal design

Shock resistant

Operating Temperature: -40°~ +60°
